CYCLING WEST & CYCLING UTAH

2019 Media Kit

We appreciate your interest in advertising in *Cycling West* and *Cycling Utah*.

Cycling West and *Cycling Utah Magazine* is published eight months a year, March through October. We print and distribute 12,000 -15,000 copies of each issue. These are distributed throughout Utah, Wyoming, Idaho, Montana, western Colorado, N. Arizona, and Nevada at around 300 bike shops and tons of other high traffic locations, and various cycling events.

We are *Cycling Utah* within the state of Utah and *Cycling West* everywhere else - there is one magazine with two covers.

Cycling West and *Cycling Utah* is the primary source for cycling news, information and events in the mountain west region since 1993. We regularly feature articles on trails, advocacy and events, great photos, and the only comprehensive cycling event calendar in the region. Our readers range from recreational cyclists to racers, mountain bikers to touring cyclists, and the young to young-at-heart.

Advertising in *Cycling West* and *Cycling Utah* is a great way to promote your business to a dynamic and mobile readership. *Cycling West* and *Cycling Utah* is the hub for our cycling community. Your advertising supports *Cycling West* and *Cycling Utah's* role in strengthening our cycling community, which in turn helps grow your business.

For a sample copy, please call us and we can send you one. Or, download our current issue at cyclingutah.com.
